(Parent Signature)

IF YOUR STUDENT HAS NOT PASSED THE FCAT THEN HE/SHE WILL AUTOMATICALLY BE PLACED IN A REMEDIATION CLASS TO HELP PREPARE FOR THE FCAT.

If you would like your child placed in a course level other than the one recommended by the teacher, a form stating this may be obtained from the guidance office. This should be filled out, signed, and attached to the registration form.

Please refer to the current Columbia County Student Progression Plan for clarification regarding graduation requirements and other pertinent information.

COURSE CHANGES MAY ONLY OCCUR:

- A. by written request during the announced summer time period before school begins (the two weeks prior to the opening of school);
- B. by teacher determination that the student is placed at an inappropriate level, within the first fifteen (15) school days of the semester;
- C. because of duplication of credit; OR
- D. because of registration error confirmed by the counselor

REQUIRED COURSES FOR GRADUATION

Your current Language Arts, Math, Science, and Social Studies instructor MUST sign for your class for next year. Classes that do not meet minimum enrollment numbers are subject to cancellation.

REQUIRED COURSES FOR BRIGHT FUTURES AND NCAA

*Not all required courses for graduation meet the requirements for NCAA and/or Bright Futures (FLBF). If you plan on utilizing either or both of these entities, please research on the following websites. We have noted a few of the most common problems that we have noticed over the years within parenthesis. We have **NOT** noted all of them since within the space provided it wouldn't be feasible.*
